

SABETHA COMMUNITY HOSPITAL BOARD RESOLUTION

WHEREAS, traumatic injury is the leading cause of death for Kansans between the ages of 1 and 44; and

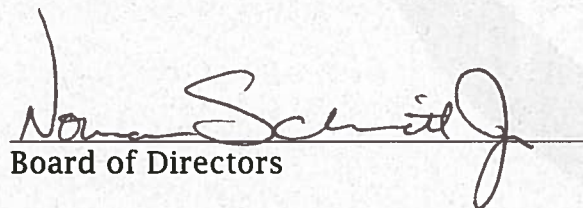

WHEREAS, Sabetha Community Hospital strives to provide optimal trauma care; and

WHEREAS, treatment at a trauma hospital that participates in a standardized systems of trauma care can significantly increase the chance of survival for victims of serious trauma; and

WHEREAS, participation in the Kansas Trauma System will result in an organized and timely response to patients' needs, a more immediate determination of patients' definitive care requirements, improved patient care through the development of the hospital's performance improvement program and an assurance that those caring for trauma patients are educationally prepared:

THEREFORE; BE IT RESOLVED that the Board of Directors of Sabetha Community Hospital resolves to support the hospital's trauma program and to provide trauma care commensurate with the standards of the recognized experts in the field, including, but not limited to, the American College of Surgery and the Kansas Trauma Program.

IN WITNESS THEREOF, I have hereunto subscribed my name this date, 1/30/2015

Board of Directors
