The parties to this contract are: the Kansas Department of Health and Environment, Topeka, Kansas, herein after referred to as the State Agency and _____ herein referred to as the vendor/contractor.

This contract becomes effective _____ and expires _____

It is mutually agreed between these parties that:

SECTION I - GENERAL CONDITIONS:

1. Nothing in this contract creates a license or a property interest.
2. This contract with amendments, along with the Kansas WIC Vendor Manual, embodies the whole contract of the parties and shall supersede all previous communications, representations, or agreements, either verbal or written, between the parties hereto.
3. Neither the State Agency nor the vendor has an obligation to renew this contract. Vendors whose contract will not be renewed shall be notified in writing by the State Agency at least fifteen (15) days before the contract expires. The vendor does not have the right to appeal the non-renewal of a contract.
4. Vendors whose contracts were not renewed must re-apply to continue program authorization and will be subject to all State Agency evaluation and selection procedures. The State Agency will not authorize a vendor applicant if it is determined that the store has been sold in an attempt to circumvent an imposed sanction.
5. This contract may be terminated by either the Vendor or the State Agency giving at least fifteen (15) days advance written notice to the other party. The Vendor may request an administrative review of a contract termination only for certain conditions (See Section V of this contract). The request must be made in writing to the Office of Administrative Hearings within fifteen (15) days following receipt of the adverse action notice. Voluntary termination to avoid sanctions is not allowed. (See Section IV, #5 of this contract.) Other than the exceptions noted in this contract, the vendor has fifteen (15) days from receipt of the notice of any adverse action to request an administrative review of the action of the State Agency. The request must be in writing and contain the reasons for the appeal (See Section V of this contract).
6. The State Agency will immediately terminate this contract if it is determined that the vendor has provided false information in connection with its application for authorization.
7. Vendors renewing this Vendor Participation Contract will also be required to complete a Vendor Application Renewal Packet provided by the State Agency.
8. This contract is null and void upon change of ownership. A new application and contract must be completed and approved by the State Agency for the new owner to participate in the WIC program. No portion of this contract may be assigned or subcontracted in any manner.
9. The State Agency is not responsible for reimbursement for any WIC electronic benefit transaction processed by the Vendor during any time in which a valid contract is not in effect.
10. The Parties to this contract are subject to 31 U.S.C.A § 1352 and Federal Regulation at 7 CFR Part 3017 which prohibits the procurement of goods and services from entities that have been debarred or suspended from entering into contracts or agreements.
11. In order to establish a manageable number of WIC vendors in a given geographic area, while at the same time considering client access to vendors, the State Agency will assess the proximity of WIC vendors to other WIC vendors in the same geographic area and will consider client usage of individual WIC vendors that are in proximity to other WIC vendors in the same geographic area.

Contracts with those Vendors whose client usage falls below an established standard may be terminated. Terminations based on the lack of usage may occur prior to the end of the standard three-year contract term. Contracts in this situation will be terminated on September 30. The State Agency's determination of inadequate or adequate client access is not subject to an administrative review.

11.1 Proximity standards triggering a review:

Rural Counties: Vendors located within 5 miles of other WIC vendors;
Urban Counties: Vendors located within 1 mile of other WIC vendors.

11.2 Client Usage Standards:

Rural Counties: Vendor must average 25 clients for the months of April, May and June.
Urban Counties: Vendor must average 100 clients for the months of April, May and June.

12. Using the current vendor selection criteria, the State Agency may reassess the vendor at any time during the contract period. The State Agency will terminate the vendor contract if the vendor fails to meet the current vendor selection criteria.

13. In accordance with Federal Law and U.S. Department of Agriculture policy, parties to this contract are prohibited from discriminating on the basis of race, color, national origin, sex, age, or disability.

To file a program complaint of discrimination, complete the USDA Program Discrimination Complaint Form, (AD-3027) found online at: http://www.ascr.usda.gov/complaint_filing_cust.html, and at any USDA office, or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866)632-9992. Submit your completed form or letter to USDA by:

SECTION II - STATE AGENCY RESPONSIBILITIES

The State Agency agrees to:

1. Provide appropriate training and written materials to the vendor regarding program regulations, policies and procedures.
2. Monitor the Vendor for compliance with program regulations, policies and procedures.
3. Take appropriate action to maintain vendor compliance with program regulations, policies and procedures.
4. Evaluate the Vendor for continued participation in the WIC program.
5. Reimburse the Vendor for those WIC electronic benefit transactions properly processed for reimbursement according to the requirements outlined in this contract and detailed in the Kansas WIC Vendor Manual.
6. Reserve the right to deny reimbursement for any or all WIC electronic benefit transactions improperly processed for reimbursement, and may demand refunds for reimbursements already made on any or all improperly processed WIC electronic benefit transactions submitted for reimbursement, or may offset future reimbursements to vendor for the amount of the claim.
7. Provide an appropriate process for the Vendor to appeal decisions made by the WIC program that adversely affects the vendor. (See Section V of this contract and the "Vendor's Right to Administrative Review" section of the Vendor Manual.)
8. Notify all vendors of changes to policies that affect vendors before changes are implemented.
9. Maintain vendor confidentiality. Information that may be provided to others includes name, address, telephone number, email/website, store type and authorization status.
10. Encourage the commercial development to integrate WIC functions within Electronic Cash Register Systems (ECR) for vendors not currently using an integrated WIC system.

11. Provide WIC-only (single-function), stand-beside Point-of-Sale (POS) devices for non-integrated ECR systems as needed in those areas not currently being served by an integrated WIC system, based on the store's average monthly WIC redemptions, number of cash registers or other agreed upon factors, if applicable. Kansas WIC will be responsible for ongoing maintenance, processing fees, and operational costs of WIC-only (single-function), stand-beside equipment. Costs of integrated systems and/or multi-function equipment will be paid by the Vendor, unless Kansas WIC determines the vendor is necessary for participant access. Any costs paid by the Kansas WIC Program will be cost allocated to pay only estimated or actual costs attributed to the WIC program.
12. Provide networks and host processing for WIC transactions that provide on-line and real time approval, twenty-four (24) hours a day, seven (7) days a week at least 99.9% of the time. Occasionally system maintenance will occur and will be scheduled between 1am and 5am local time.
13. Make available daily the most current Approved Product List (APL) containing the products that are approved for redemption by the Kansas WIC program.
14. Establish a calculated Peer Group Not To Exceed (NTE) amount for each WIC approved food item and use this NTE in reimbursing vendors for items purchased by the WIC cardholder.
15. Reimburse (settle to) the Vendor for all approved WIC transactions that are processed in accordance with applicable state and federal rules and requirements. If WIC transactions are found to be improperly processed, payment will be denied by the Program. Settlement will make use of commercial payment system settlement practices. Settlement amounts may differ from requested amounts because:
 - 15.1 The price of the food items within a transaction exceeds the NTE amount designated by the WIC program for that food item;
 - 15.2 Adjustments for previous transactions are applied.
16. Issue a claim, when appropriate, and bill the Vendor for payments the State Agency has already made to the vendor in error, or upon detection of a program violation. Vendors have thirty (30) calendar days to pay the claim. Failure to pay the claim shall result in future payments being withheld to offset the claim.
17. Prohibit processing fees from being charged by KDHE or KDHE's WIC Contractor to WIC vendors using WIC only, stand-beside POS devices.

3. Comply with all policies and procedures as set forth in the current Kansas WIC Vendor Manual.
4. Permit State and Local Agency representatives to conduct on-site evaluation and monitoring visits to determine compliance with the requirements of the WIC program. 5. Cooperate with State and Local Agency staff, USDA officials, and appointed investigative personnel conducting compliance or investigation activities.

7. Not use or allow incentives, give-a-ways, specials, or the like, for the purpose of encouraging or otherwise specifically enticing WIC clients to redeem their WIC benefits at the store. Vendor agrees to use only simple notices such "We Accept Kansas WIC Cards".
8. Notify the Local WIC Agency or the State Agency in writing at least fifteen (15) days in advance of when the store ceases operation, changes ownership, name, or location. In these instances, except for a name change and/or close proximity location change, the State Agency shall terminate the vendor contract.
9. Submit a properly completed "Price Assessment" (PA) report indicating the requested price information to the State Agency by the specified due date. This assessment will be requested twice annually and is used to determine the Not-To-Exceed (NTE) reimbursement amount for WIC foods.
10. Sell no WIC foods past the manufacturer's expiration/best if sold by date printed on the package and/or container.
11. Collect no sales tax on purchases made with a WIC electronic benefit transaction.

17. Obtain written permission of the State Agency to use WIC shelf labels not provided by the WIC program.
18. Not use the WIC acronym or the WIC logo in the name under which the Vendor is registered or in the name under which the Vendor does business. However, the Vendor may use "We accept the Kansas WIC Card" when advertising their store.
19. Maintain the required minimum stock requirements for WIC foods. (See Minimum Stock Requirements in the Vendor Manual).
20. Charge a price for foods purchased by WIC customers the same as the current price charged to non-WIC customers.
21. Supply no unauthorized food or non-food items, cash or credit (including rain checks) in exchange for WIC benefits.
22. Supply no cash or other items to WIC clients who attempt to return WIC foods for cash or non-WIC items.
23. Ensure that no conflict of interest exists between the vendor and either State Agency or Local Agency WIC staff.
24. Ensure the Vendor is accountable for its owners, officers, managers, agents and employees who commit vendor violations.
25. Ensure the Vendor complies with the non-discrimination provisions as contained in the Kansas WIC Vendor Manual and in this contract.
26. Ensure the Vendor complies with all vendor selection criteria throughout the contract period, including any changes to the criteria.
27. Purchase infant formula from the list of approved sources provided by the State Agency. The Vendor shall request approval prior to purchasing any formula from a source not on the approved list. Approval will come from the State Agency after an investigation and if the new source is approved, the source will then be placed on the approved list for distribution to all vendors.
28. Implement certified Electronic Cash Register (ERC)/Point-of-Sale (POS) system (integrated or a "stand-beside" system in those areas not currently being served by an integrated WIC system) prior to accepting WIC benefit cards for purchase in accordance with

published rules, policies and specifications including:

28.1 USDA-FNS WIC EBT Operating Rules and the

28.2 USDA-FNS WIC Technical Implementation Guide

28.3 All eligible integrated ECR/POS systems must be capable of processing on-line, real time WIC transactions that originate from the Kansas WIC program and the use of a Kansas WIC card

29. Process all WIC transaction types that are required by the WIC program. At minimum this includes: balance inquiry (without requiring a purchase to be made), purchase, void, reversal and cash value for authorized fruits and vegetables
30. Accept liability for any redemption of WIC benefits:
 - 30.1 For which an approval has not been received from the WIC program.
 - 30.2 For the incorrect redemption of benefits (e.g. providing an item not authorized by the WIC program or not available in the cardholder's account).
 - 30.3 The WIC program may deny payment for improperly transacted WIC purchases or may initiate a claim for payments already made for improper WIC purchases.
31. Accept as payment in full for each WIC authorized product purchased, the lesser of (i) the shelf price requested for the product or (ii) the WIC program calculated Not-To-Exceed (NTE) amount for that product. Coupon Discounts, coupon reductions, price matching or free items must be applied to the purchase transaction prior to accepting payment from the WIC cardholder.
32. Ensure that the most current Kansas Approved Product List (APL) is downloaded to the Vendor's ECR system or stand-beside device every 24 hours.
33. Scan (or manually enter) the actual Universal Product Code (UPC) that is affixed to or associated with the item actually being purchased by the WIC client. Vendor is prohibited from scanning or manually entering any UPC code that is not affixed to or associated with the actual item being purchased by the WIC client, or using any UPC code as a substitute, replacement or otherwise not actually affixed to or associated with the actual item being purchased by the WIC client.
34. Adhere to the International Federation for Produce Standards (IFPS) for product look-up codes (PLU) for the purpose of WIC transactions. Any unique fruit/vegetable UPC or PLU created by the store (e.g. any UPC starting with a '2') must be mapped to a PLU recognized by the IFPS.
35. Ensure that the price associated with the UPC code in the ERC/POS system is not greater than the price displayed on the package, container, shelf, or other signage in the store for the purchased item. Vendor is responsible for updating price changes in the ECR/POS system including, but not limited to, changes due to sales or other promotions.
36. Provide timely transaction documentation as requested and fully cooperate in the resolution of any dispute arising in relation to WIC transactions.
37. Maintain required records for the greater of three (3) years after final payment is received or after all pending matters have been resolved. This includes the Vendor's purchase and inventory records for approved WIC food items which the Vendor has claimed reimbursement from the WIC Program.
38. Request state re-certification at least 60 days in advance if the Vendor or the company that supports the Vendor's ECR system revises the ECR system in any manner that impacts its WIC transaction processing capabilities. Maintain a Kansas WIC program certified in-store ECR system in a manner necessary to ensure system availability for WIC redemption processing during all hours the Vendor is open. The Vendor's failure to maintain a state-certified ECR system on an on-going basis that ensures system compliance with WIC policies and procedures, transacts cash value, and ensures the accuracy of data, shall result in termination of the Vendor Participation Contract.
39. Ensure the certified in-store WIC transaction process allows a reasonable degree of security for protecting the Personal Identification Numbers (PINs) used by WIC participants. Only the WIC participant may enter the PIN to initiate the transaction. The

vendor shall not enter the PIN for the WIC participant. The WIC card must be present at the time of purchase. The card number may be manually keyed if the magnetic stripe is not functioning correctly only if the card is present.

40. Maintain strict confidentiality of all client and WIC-related system data. No WIC-related information may be provided to any non-party person or entity without the prior written approval of the Kansas WIC Program.
41. Provide the WIC cardholder with a receipt, which at a minimum, shows the store name and address, the date of the transaction, the product(s) purchased, the price charged for each item, and the remaining balance of available WIC benefits.
42. Any WIC cards found in the store or on the store property, if left unclaimed for twenty four (24) hours, shall be returned to: Kansas Department of Health & Environment, Nutrition and WIC Services, 1000 SW Jackson St., Ste 220, Topeka, KS 66612.
43. Vendors that have at least \$2 million dollars in total annual food sales (WIC and non-WIC) must have one WIC capable lane for every \$11,000 in monthly WIC redemptions up to a total of four WIC capable lanes or the number of lanes at the location, whichever is less. All other vendors must have one lane for every \$8,000 in monthly WIC redemptions. Vendors shall not restrict WIC cardholders to a single lane when multiple lanes are WIC capable.
44. Authorized vendors using a non-integrated stand-beside POS device may elect to provide WIC processing capabilities to more lanes than the minimum number required by WIC regulations. If this option is elected, any additional costs incurred must be directly paid by the vendor unless pre-approved by the program. The vendor must contract with the Kansas WIC Contractor for all stand beside POS equipment and support services.
45. Provide a current, active email address that is monitored at least weekly, for timely responses and/or resolutions of program requirements and to receive communications from the Kansas WIC program.
46. A WIC Vendor that utilizes a Value Added Reseller (VAR), an Acquirer, or a Third Party Processor (TPP) shall require that the entity is able to accurately process WIC transactions. The vendor is responsible for expenses, costs and fees related to the utilization of a VAR, an Acquirer or a TPP.

SECTION IV - CONTRACT VIOLATIONS AND APPLICABLE SANCTIONS

Parties to this contract agree to the following provisions regarding contract violations and sanctions for contract violations:

1. The State Agency may disqualify a vendor or impose a Civil Money Penalty (CMP) for contract violations. The State Agency shall give a fifteen (15) day notice before imposing a sanction, except for the sanction of permanent disqualification as a result of a conviction of trafficking or other illegal sales of WIC benefits, in which case the State Agency must take immediate action upon receipt of the sanction notice by the vendor.
2. The State Agency shall disqualify a vendor from the WIC program who is disqualified from the USDA Supplemental Nutrition Assistance Program (SNAP) unless inadequate client access is determined. Vendor disqualifications as a result of disqualification from SNAP are not subject to administrative review, fair hearing or judicial appeal. A disqualification from the WIC program as a result of disqualification from the SNAP shall be for the same length of time and may begin at a later date than the SNAP disqualification.
3. Disqualification from the WIC program may also result in the vendor's disqualification from SNAP. Such disqualification is not subject to administrative or judicial appeal under the SNAP. The State Agency shall notify the Food and Nutrition Service, United States Department of Agriculture, of all WIC disqualifications and CMP's.
4. The State Agency shall sanction vendors based on the contract violations described in the Kansas WIC Vendor Manual. As an alternative to a standard sanction, the State Agency may impose a CMP when it is determined that limiting client access to a WIC vendor would be unacceptable to the program. The State Agency shall not give a CMP for a third or subsequent violation. A third or subsequent violation will result in the required sanction.

5. The State Agency shall not accept a vendor's voluntary withdrawal from the WIC program or the non-renewal of a vendor's contract as an alternative to imposing sanctions.
6. The determination of whether or not a pattern of violations exists is made by the State Agency. Generally, a "pattern" is defined as two to three replications of the same violation.
7. The State Agency will notify a vendor in writing of the initial occurrence of a violation if that violation requires a pattern of occurrences before imposing a sanction against the vendor. This notification will occur before imposing a sanction unless notification would compromise an investigation.
8. If disqualified under any provisions of this contract, this contract will be terminated and the vendor must reapply for authorization to participate in the WIC program.
9. In conjunction with a contract violation or sanction, reimbursement from the vendor to the State Agency may be required for all WIC electronic benefit transactions, or those electronic benefit transactions selected by the State Agency, which were transacted during a specified period determined by the State Agency.
10. Convicted vendors, even if the decision is later overturned, are not entitled to receive compensation for revenues lost as a result of a disqualification.
11. Federal Program Sanctions:
 - 11.1 Permanent disqualification from participation in the WIC program for vendors convicted of trafficking or engaged in other illegal sales of WIC benefits (buying or selling WIC benefits for cash or other considerations). The State Agency may impose a CMP in lieu of a disqualification for this violation when it determines, in the State Agency's sole discretion, that disqualification of the vendor would result in inadequate client access or that the vendor had, at the time of the violation, an effective policy and program in effect to prevent trafficking, and the ownership of the vendor was not aware of, did not approve of, and was not involved in the conduct of the violation.
 - 11.2 Six (6) year disqualification from participation in the WIC program for vendors found trafficking or engaged in other illegal sales of WIC benefits (buying or selling WIC benefits for cash or other considerations) as a result of a WIC program investigation.
 - 11.3 Three (3) year disqualification from participation in the WIC program for the following violations:
 - 11.3.1 Selling Alcoholic Beverages or Tobacco products in exchange for WIC benefits. Only one incidence is necessary to trigger the mandatory three-year disqualification.
 - 11.3.2 A pattern of claiming reimbursement for WIC transactions that are in excess of documented vendor inventory.
 - 11.3.3 A pattern of charging WIC customers more for food than non-WIC customers, or charging more than the shelf price for WIC foods.
 - 11.3.4 A pattern of receiving, transacting, and/or redeeming WIC benefits outside of authorized channels, including the use of an unauthorized vendor and/or an unauthorized person.
 - 11.3.5 A pattern of providing credit or non-food items in exchange for WIC benefits.
 - 11.4 One (1) year disqualification from participation in the WIC program for the following violations:
 - 11.4.1 A pattern of providing unauthorized foods in exchange for WIC benefits.
12. Kansas WIC vendors determined to be in violation of WIC program policies and procedures, federal regulations, state statutes, the WIC Vendor Participation Contract or the Vendor Manual shall be sanctioned as indicated below. Refer to the Kansas WIC Vendor Manual for State Agency Violation details.

The Kansas WIC program detects violations through monitoring, undercover buys, data analysis and reports from WIC clients and Local Agencies and the general public. Vendors who commit fraud and abuse may be prosecuted under federal, state and local laws and may be fined or imprisoned in addition to program sanctions. Vendor violations may be intentional or unintentional. The Kansas WIC program may refer vendors who commit fraud and/or abuse of the WIC program to federal, state or local authorities for prosecution under applicable statutes. The WIC program has two levels of violations: those that result in Kansas WIC program sanctions and those that result in federally mandated sanctions.

In addition to the sanctions mandated by federal regulations, the State Agency will institute program sanctions. Each instance of a violation of Kansas WIC program rules has a set point value. The accumulation of fifteen (15) findings points or more within vendor's contract period will result in termination of the Vendor Participation Contract and a six month (6) disqualification from the Kansas WIC Program.

Occurrence	Sanction	Points	Time Frame
First	Warning Letter with possible Mandatory Training session(s)	3 – 5	Points will accumulate for the vendor's contract cycle.
Second	\$100.00 fine	6 – 9	
Third	\$250.00 fine	10 – 14	
Fourth	Termination of Contract and six (6) month disqualification	15	

- 12.1 Second Sanction: When a vendor, who previously has been assessed a sanction for any of the violations in this section receives another sanction for any of these violations, the State Agency shall double the second sanction. CMP's may only be doubled up to the limits allowed.
- 12.2 Third or Subsequent Sanction: When a vendor, who previously has been assessed two or more sanctions for any of the violations in this section receives another sanction for any of these violations, the State Agency shall double the third sanction and all subsequent sanctions. The State Agency shall not impose a CMP in lieu of disqualification for third or subsequent sanctions.
- 12.3 Civil Money Penalties: A CMP may be imposed on a vendor whose disqualification from the WIC Program would cause inadequate client access. The CMP is calculated as follows: (1) determine the vendor's average monthly redemptions for at least the 6-month period ending with the month immediately preceding the month during that the notice of administrative action is dated; (2) multiply the average monthly redemptions figure by 10 percent; and (3) multiply the product from Step 2 by the number of months for which the vendor would have been disqualified. This is the amount of the CMP, provided that it does not exceed \$16,865. In addition, the total amount of CMP's imposed for multiple violations investigated as part of a single investigation must not exceed \$67,461. The State Agency may authorize the use of installment plans for the collection of CMP's. If a vendor does not pay an imposed CMP or fails to pay a CMP within thirty (30) days of written notice of CMP, or fails to maintain an agreed upon installment payment plan, the State Agency shall disqualify the vendor.
- 12.4 Criminal Prosecution: The State Agency shall request prosecution by Local or State authorities if it appears that fraud or theft has occurred in the WIC program. A vendor who commits fraud or abuse of the program is liable to prosecution under applicable Federal, State or Local laws. Under 7 CFR § 246.23, those who have willfully misapplied, stolen or fraudulently obtained program funds shall be subject to a fine of not more than \$25,000 or imprisonment for not more than five years or both, if the value of funds is \$100 or more. If the value is less than \$100, the penalties are a fine of not more than \$1,000 or imprisonment for not more than one year or both.

SECTION V- ACTIONS SUBJECT TO ADMINISTRATIVE REVIEW AND REVIEW PROCEDURES

In advance of an Administrative Review, Vendors are encouraged to resolve areas of conflict with the State WIC Agency before pursuing this option. Most issues can be resolved at this less formal stage.

Authorized WIC vendors have the responsibility to comply with WIC program regulations, policies and procedures. As indicated in this contract, the State Agency may impose sanctions on vendors for non-compliance. These sanctions range from warning letters to permanent disqualification from participation in the WIC program. Refer to Section IV of the Vendor Participation Contract for a full description of the sanctions.

I. Vendor's Right to Administrative Review.

- 1.1 The Local Agency and/or State Agency shall provide written notice of any adverse action taken against a vendor. The notice shall specify the action being taken, the effective date of the action, the reasons for the action, and explain the vendor's right to and the procedures to follow to obtain an administrative review. Notice must be given prior to any adverse action being taken, with the exception of disqualification due to conviction of trafficking WIC electronic benefit transactions.
- 1.2 A vendor wishing to request an administrative review of an adverse action shall submit a written request via U.S. Mail or FAX for a review of the action. The written request must be made within fifteen (15) days of receipt of the notice of adverse

action. The request for a review must include a summary of the reasons for requesting a review of the action. Requests for review shall be addressed to the Office of Administrative Hearings, 1020 South Kansas Avenue, Topeka, Kansas 66612-1327.

- 1.3 Appealing an action does not relieve the food vendor of responsibility for continued compliance with the terms of any written agreement or contract with the State Agency or Local Agency. Participating vendors who are disqualified from the program must reapply for authorization to participate. Applicants who are denied participation at application may appeal the denial, but shall not participate in the program while awaiting the decision.
- 1.4 The Office of Administrative Hearings shall not deny or dismiss a request for an administrative review unless:
 - 1.4.1 The written request is not received by the Office of Administrative Hearings within the time limit of 15 days from receipt of the notice of adverse action;
 - 1.4.2 The request is withdrawn in writing by the appellant or a representative;
 - 1.4.3 The appellant or a representative fails, without good cause, to appear at the scheduled hearing; or
 - 1.4.4 The request for review is regarding an adverse action that is not subject to administrative review.
- 1.5 When a vendor is disqualified due in whole or in part to violations in 7 CFR 246.12(l)(1), such notification must include the following statement: "This disqualification from WIC may result in disqualification as a retailer in the Food Stamp Program. Such disqualification is not subject to administrative or judicial review under the Food Stamp Program."

2. Effective Date of Adverse Actions against Vendors

- 2.1 The State agency shall make denials of authorization and disqualifications effective on the date of receipt of the notice of adverse action. The State Agency must make all other adverse actions effective no earlier than 15 days after the date of the notice of adverse action and no later than 90 days after the date of the notice of adverse action. In the case of an adverse action that is subject to administrative review, the effective date of the adverse action shall be no later than the date the vendor receives the review decision.
- 2.2 Decisions rendered under the administrative review procedures are the final state agency action. If a decision is rendered as a result of a hearing and the vendor expresses an interest in pursuing a higher review of the decision, the Presiding Officer shall explain any available state appeal procedures. If an appeal is not available or has been exhausted, the Presiding Officer shall explain the right to pursue judicial review of the decision. Kansas statutes allow individuals to file suit against the State of Kansas in District Courts.

3. Pre-hearing conference

- 3.1 Prior to the official administrative review, a pre-hearing conference may be held. A pre-hearing conference is a conference between the parties or their counsel and the Presiding Officer to discuss matters relevant to a full hearing. A pre-hearing conference may be conducted in person or over the telephone. If the issue cannot be resolved, the Presiding Officer shall schedule a tentative hearing date.
- 3.2 At the pre-hearing conference, the proceeding may, with the agreement of all parties and the concurrence of the Presiding Officer, be converted to an administrative review or a summary proceeding for disposition of the matter as provided by the Kansas Administrative Procedure Act.

4. The following adverse actions are subject to administrative reviews:

- 4.1 The denial of authorization to become a WIC vendor based on:
 - 4.1.1 the vendor selection criteria for competitive price;
 - 4.1.2 the vendor selection criteria for minimum variety and quantity of authorized supplemental foods;
 - 4.1.3 a determination that the vendor is attempting to circumvent a sanction;
 - 4.1.4 the vendor selection criteria for business integrity;
 - 4.1.5 the vendor selection criteria for a current SNAP disqualification or CMP for hardship;
 - 4.1.6 a State Agency-established vendor selection criteria if the basis of the denial is a WIC vendor sanction or a SNAP withdrawal of authorization or disqualification;
 - 4.1.7 the State Agency's vendor limiting criteria;
 - 4.1.8 the vendor submitted its application outside the time frames during which applications are being accepted and processed as established by the State Agency;
 - 4.1.9 the vendor submitted its application and expects that 50% of their food sales revenue will be from WIC redemptions;
 - 4.1.10 the application of peer group criteria;
 - 4.1.11 the process of identifying a vendor as an above-50-percent vendor; and
 - 4.1.12 the fact vendor is not authorized by SNAP;
- 4.2 The termination of a current WIC Vendor contract:
 - 4.2.1 for cause; or

- 4.2.2 because of a change in ownership or location or cessation of operations.
- 4.3 The disqualification of a current WIC vendor:
 - 4.3.1.1 based on a trafficking conviction;

5. Further, the State of Kansas and its agencies shall not agree to pay attorney fees and late payment charges beyond those available under the Kansas Prompt Payment Act (K.S.A. 75-6403), and no provision will be given effect which attempts to exclude, modify, disclaim or otherwise attempt to limit implied warranties of merchantability and fitness for a particular purpose.

9. The State of Kansas shall not be responsible for, nor indemnify a contractor for, any federal, state or local taxes, which may be imposed or levied upon the subject matter of this contract.
10. The State of Kansas shall not be required to purchase any insurance against loss or damage to any personal property to which this contract relates, nor shall this contract require the state to establish a "self-insurance" fund to protect against any such loss or damage. Subject to the provisions of the Kansas Tort Claims Act (K.S.A. 75-6101 et seq.), the vendor or lessor shall bear the risk of any loss or damage to any personal property in which vendor or lessor holds title.
11. No provision of this contract shall be construed as limiting the Legislative Division of Post Audit from having access to information pursuant to K.S.A. 46-1101 et seq.
12. The Eleventh Amendment to the United States Constitution is an inherent and incumbent protection with the State of Kansas and need not be reserved, but prudence requires the State to reiterate that nothing related to this contract shall be deemed a waiver of the Eleventh Amendment.
