- **June: Brenda Bandy from Kansas Breastfeeding Coalition; “Supporting Breastfeeding Parents to Return to Work or School”**
 - **June 2, 2021 at 1 pm via zoom**-link will be sent out week before
 - Come prepared with questions about any clients you are trying to help transition back to work or school
- Supervisor’s portion = “**Open to Questions for Discussion**”
 - Housekeeping
 - Please keep in mind with budget preparation this summer: we will be making it optional for hours spent working on BFPC Supervisor work to be covered by BFPC funds, however this is an optional and they can be counted with your other hours under regular WIC funds
 - Please keep in mind if you want to increase the peer counselor weekly hours, or if it would be beneficial to add another peer counselor to the clinic (this would be especially for clinics that serve a large population in another language and want a peer who is fluent in that language). Please contact Casey at cassandra.florea@ks.gov if you are interested in either of these options.
- **Need volunteer(s) to present Supervisor’s portion for June webinar or a question/topic submitted to discuss.**
- Closing:
 - Next webinar is **6/2/21 1pm via zoom**-link sent out week before
 - Thank you!
