

LEAD TRAINING NOTIFICATION

The information on this form is required by K.A.R. 28-72-4 (d) (12). Please complete this form and submit to the Kansas Department of Health and Environment, Lead Hazard Prevention Program. When notifying the program of lead training courses. The training provider shall notify KDHE in writing at least 14 calendar days before conducting an accredited training course. If the scheduled training course has been changed or canceled, the training provider shall notify KDHE in writing at least 24 hours before the training course was scheduled to begin.

Submit the completed form by the following:

- Fax to: KDHE Lead Hazard Prevention Program at 785-559-4246
- Email to: KDHE Lead Hazard Prevention Program at kdhe.lead@ks.gov

If you have any questions about this form, please call the KDHE Lead Hazard Prevention Program at (866) 865-3233
