

ON-LINE APPLICATIONS FOR THE KANSAS RESIDENTIAL LEAD HAZARD PREVENTION PROGRAM

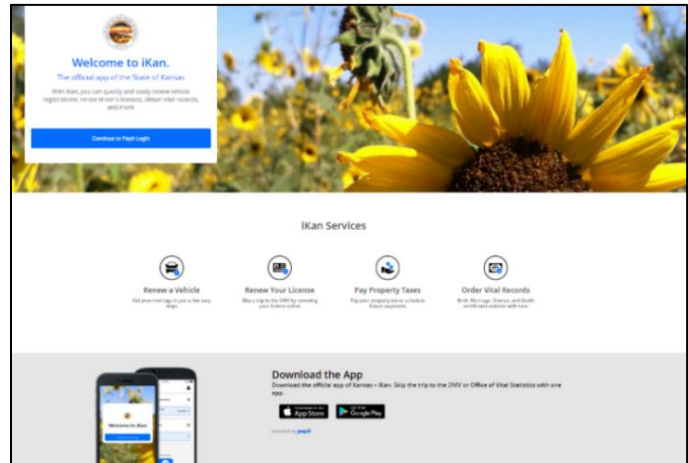

- Lead Safe Work Practice Certification (Certified Renovator)
- Renovation Firm License

➤ Go to the iKan website at <https://ikan.ks.gov>

- Continue directly to iKan/PayIt login

OR

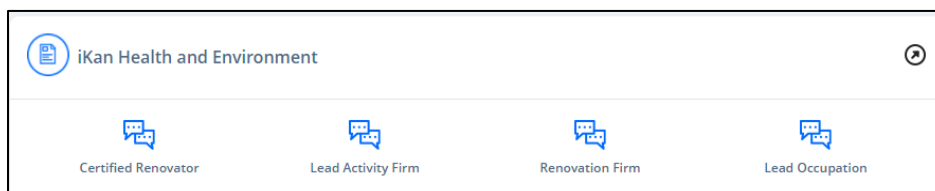

- Download the App to your smartphone to start the process

➤ Once in the iKan system, scroll down and click on the “iKan Health and Environment” link under “Other Available Services”:

➤ Click on the appropriate application type:

- Follow the instructions as prompted and complete the required information.
- If renewing an expired or current Kansas certification or Kansas license, please have the certification/license previously issued by the Kansas Department of Health and Environment (KDHE) available.
- An image/picture of your course completion diploma is required to complete the “Certified Renovator” application. When prompted for the training diploma number, enter the number beginning with “KS” listed on the diploma.
- A credit card or debit card is necessary to pay the “Renovation Firm” application fee. *A minimal convenience fee will be charged.*

For login or application assistance, contact PayIt at
