

Creating Healthy School Environments: A Step-by Step Guide (Ohio)

- Step-by-step manual on how to perform voluntary school inspections in 8 different areas of the school
 - Uses a multiple tier approach to cater the evaluation to your needs.
 - **Bronze**= Basic healthy and safety requirements
 - **Silver**= Further commitment to a healthy school environment
 - **Gold**= All-encompassing assessment for the category
 - Gives examples and resources on how to recruit people from the school to help facilitate the assessment
 - Also provides guidance on gaining approval, priority planning, implementation, training, and recognition
- *Provided as a resource only—this is not officially endorsed by KDHE**
