RE: Request for Public Comment on WIC State Plan (Policy and Procedure Manual)

Request for Public Comment on WIC State Plan (Policy and Procedure Manual)

Federal regulations require that the public be given an annual opportunity to provide comments on the administration of the WIC Program. These comments are taken into consideration before the annual State Plan is submitted to USDA. See the end of this document for the Request for Public Comment signs in English and Spanish. They can be printed separately from links on this page.

http://www.kansaswic.org/local_agencies/policy_info_memos.html

ACTION REQUIRED: Please post the attached signs in your clinic area between now and June 30. You may also post these signs on social media sites. Refer any questions to the State WIC Office.

If you have any questions regarding this memo, please contact the state staff member assigned to your agency.

Items included below and/or provided as separate documents:
