Email: _____ Telephone Number: _____

Describe the Business or Organization:

Section 2: Project Description

Project Title: _____

Project or Program Date (activity must begin after January 1, 2019 and no later than six months before submitting this application): _____

Describe the Environmental Stewardship Project:

What inspired your business/organization to act? Please explain the key deciding factors such as fiscal, social, and/or environmental reasons for choosing to implement your environmental stewardship activity; explain how this is an activity rather than a general maintenance or necessary upgrade(s).

Section 3: Environmental Measures

Provide the results from your environmental stewardship activities.

Section 4: Transferability

Are the projects, ideas, or innovations described in this application transferable to other companies?
What recommendations would you make to a company considering a similar project?

To provide additional information for consideration, please email this completed form along with supporting documents (brochures/pamphlets, press releases, etc.) to Julie.Finn@ks.gov.
