

07/20/23 Construction Review Process for Health Care Facilities Q&A

<p>You listed KDHE is responsible for Intermediate Health Facilities construction plans.</p> <p>Is KDHE responsible for Skilled Nursing Facilities as well?</p>	<p>Skilled Nursing Facilities remain under the authority of KDADS and the Office of the State Fire Marshal.</p>
<p>Will KDHE conduct separate yearly inspections from the Fire Marshall's Office?</p>	<p>KDHE/Bureau of Facilities and Licensing will be conducting Life Safety Code (LSC) surveys for facilities participating in the Medicare and Medicaid program to assess compliance for the LSC requirements. This includes the survey of non-accredited hospitals, hospices, ASC's, CAH's, ESRD's and ICF/IID's and survey accredited hospitals selected for validation surveys or as a result of a substantial allegation of unsafe conditions</p>
