

SLEIS User Registration Form

Please complete this form and email to kdhe.sleis@ks.gov

Facility user roles of the State and Local Emissions Inventory System (SLEIS) are described below. Each SLEIS facility user must have a unique email address and must be either a Viewer or an Editor. A facility user can also be an Administrator and/or Submitter. Each SLEIS facility user can be associated with multiple facilities, and each facility can have more than one Viewer, Editor, Administrator, or Submitter.

SLEIS User Roles:

Viewer: Can view facility data and information, but cannot make any modifications.

Editor: Can view, start, and modify an emissions inventory report.

Administrator: Can remove or change a user's role that is assigned to their company.

Submitter: Is a Responsible Official, as defined in K.A.R. 28-19-200, who can officially submit emissions inventory reports electronically to KDHE BOA.
