

# Disaster Debris Segregation Requirements

*Guidance for Citizens, Contractors, Volunteers & Others*

The following materials should be removed from the mixed debris and placed in separate piles near the curb:

- Trees and Vegetation (no lumber)
- "White Goods" (appliances)
- Electronics (TVs, computers, stereos, phones, DVDs, etc.)
- Household hazardous wastes and other chemical products
- Household trash and garbage
- Gas-powered lawn mowers, trimmers, etc.

## **Additional Guidance**

### White Goods

Air Conditioners  
Refrigerators  
Freezers  
Stoves and Ovens  
Microwave Ovens  
Dishwashers  
Washers and Dryers  
Water Heaters  
Televisions

### Household Hazardous Wastes

Lead, Acid and NiCad Batteries  
Paint, Thinners and Strippers  
Cleaning Supplies and Pool Chemicals  
Lawn & Garden Products  
Pesticides and Herbicides  
Thermometers  
Automotive Products  
Gasoline Cans  
Pressurized containers (Propane, butane, aerosols)

If containers are leaking, place them in a bucket or plastic tub near the curb.

Explosives/ammunition should be given to law enforcement officials.
