

2022 - 2023 Public Health Emergency Preparedness Medium Local Health Department Work Plan

Progress Quarter (Check One)			Contact Information
<input type="checkbox"/>	Quarter 1 covers July 1, 2022 – September 30, 2022	Due October 15, 2022	<p style="font-size: 1.2em; margin: 0;">Work Plan for designated Medium Counties</p>
<input type="checkbox"/>	Quarter 2 covers October 1, 2022 – December 31, 2022	Due January 15, 2023	
<input type="checkbox"/>	Quarter 3 covers January 1, 2023 – March 31, 2023	Due April 15, 2023	
<input type="checkbox"/>	Quarter 4 covers April 1, 2023 – June 30, 2023	Due July 15, 2023	
Description of Tasks			Deliverables
1	<p>A local health department (LHD) representative (or proxy) will attend, in person, via conference call or webinar, the quarterly scheduled Healthcare Coalition (HCC) meetings for their region. Designees/Proxies are permitted, provided they are designated by the LHD Administrator and the Designee/Proxy letter is received by KDHE and the HCC RRC prior to any meetings that will be missed. Letters received after a missed meeting will not be made retroactive.</p> <p style="text-align: right; color: red; font-weight: bold;">Due Quarterly</p>		<p>Each quarter enter HCC Region, Meeting Date, Attendee Name & KS-TRAIN course ID#:</p> <p><input type="checkbox"/> Meeting 1</p> <p><input type="checkbox"/> Meeting 2</p> <p><input type="checkbox"/> Meeting 3</p> <p><input type="checkbox"/> Meeting 4</p> <p><input type="checkbox"/> Meeting 5 (if applicable)</p> <p><input type="checkbox"/> Meeting 6 (if applicable)</p>
2	<p>The LHD may send staff to preparedness conferences, preparedness meetings, trainings or exercises to increase knowledge, skills and abilities to develop and maintain plans, conduct trainings and exercises and respond to public health threats and emergencies using a whole-community approach to preparedness management. (Examples include but are not limited to: National Preparedness Summit, Four Corners Emergency Management, Kansas Public Health Association.)</p> <p>Out-of-state conferences and training events must be pre-approved by the KDHE Preparedness Program. See guidance documents for instructions on pre-approval and budget requirements. Each attendee must submit a summary report of the learned knowledge/skill and must include course name, attendee name and date attended.</p> <p style="text-align: right; color: red; font-weight: bold;">Due within the quarter attended</p>		<p style="text-align: center;"><u>For in-state events</u></p> <p>Date(s): _____</p> <p>Event Name: _____</p> <p>_____</p> <p>Name of attendees: _____</p> <p>_____</p> <p style="text-align: center;"><u>For out-of-state events</u></p> <p><u>Each</u> person must submit a one (1) page summary no later than fifteen (15) business days after the conference.</p> <p><input type="checkbox"/> Summary report/s uploaded</p> <p>Event Name: _____</p> <p>_____</p> <p>Event Date(s): _____</p> <p>Name of Attendee(s): _____</p>

3	<p>LHD will have a staff member attend at least three (3) webinars developed by the KDHE Preparedness Program for the PHEP grant.</p> <ul style="list-style-type: none"> Attendance is required for the July 2022 Work Plan Guidance session. The LHD can choose the other two (2) webinars from the KDHE Preparedness Webinar listing to complete this activity. <p style="text-align: right;">Due within the quarter attended</p>	<p>KS-TRAIN # and Name of attendee</p> <p>1. _____</p> <p>2. _____</p> <p>3. _____</p>
4	<p>LHD representative will participate in a local ESF 8 or LEPC planning meeting at least once per year to work with health and medical partners in order to strengthen community preparedness and response activities. The local ESF-8 or LEPC acts as an advisory committee of governmental and non-governmental partners to the local health department to integrate preparedness efforts across jurisdictions and to leverage funding streams.</p> <p style="text-align: right;">Due once, within the quarter attended</p>	<p>ESF-8 <input type="checkbox"/> / LEPC <input type="checkbox"/></p> <p>Date attended: _____</p> <p><input type="checkbox"/> Attendee names and attendance sheet(s)/meeting notes uploaded to KGMS.</p>
5	<p>LHD Administrator will maintain their contact information in the Kansas Health Alert Network (KS-HAN) to ensure the ability of the LHD in receiving situational awareness information.</p> <ul style="list-style-type: none"> Contact information should be checked no less than annually by the user. Users are expected to update their own user profiles. KDHE Preparedness Program will send LHD Administrator a KS-HAN registrant list, annually. LHD will provide a list of changes (add/remove registrants) to KS-HAN Administrator within the quarter the report was received. LHD staff registered on KS-HAN will respond to one (1) KS-HAN drill to ensure and demonstrate the ability to receive and respond to situational awareness updates and common operating picture information, and to ensure that communications equipment is appropriately receiving health alerts and situational information. <p style="text-align: right;">Update list from KS HAN Admin, Due within the quarter received Drill information due in quarter conducted</p>	<p>Date Registrant list updated: _____</p> <p>Date Drill Completed: _____</p>
6	<p>LHD Administrator will ensure 24/7 epidemiological contact information is kept current and sent to the KDHE Bureau of Epidemiology & Public Health Informatics through KDHE's Contact Management Community System (available at https://kansasct.force.com/cms/sl/) at least quarterly. This supports the public health system by having access to personnel trained to manage and monitor routine jurisdictional surveillance and epidemiological investigation systems and support surge requirements in response to threats.</p>	<p>By checking the box, I attest that the contact information is accurate</p> <p>Q1 <input type="checkbox"/> Q2 <input type="checkbox"/></p> <p>Q3 <input type="checkbox"/> Q4 <input type="checkbox"/></p>

	Due Quarterly	
7	LHD Administrators will ensure that priority communication services are available in an emergency. This should include maintaining an always-on, high-speed internet connection, email services, and a telephone and or cell phone that is available to LHD preparedness personnel.	As administrator of the LHD I attest, priority communication services are available 24/7 <input type="checkbox"/>
	Due September 30, 2022	
8	LHD will use community preparedness to build partnerships and address risks within their community. LHDs will aim to engage community partners who might otherwise not be involved with preparedness efforts. LHD will participate in the National Preparedness Month campaign in September 2022 by posting: <ul style="list-style-type: none"> At least two (2) different posts on one (1) social media platform each week during the month of September 2022. Using the hashtag #KSPrepared to signify participation. 	KDHE will track social media participation using #KSPrepared. If this hashtag is used, no documentation is needed. 1. Enter the Social media platform(s) (i.e., Twitter, Instagram, Facebook, etc.) used for posts during September 2022: _____
	Due September 30, 2022	
9	LHD will maintain a website where information can be posted and accessed by members of the public to promote awareness of LHD preparedness activities and actions the public can take to improve personal preparedness. The LHD will also make regular use of social media channels (for example, Facebook, Twitter and/or Instagram).	Website review date: _____ Facebook review date: _____ Twitter review date: _____ Instagram review date: _____ Other: _____
	Due December 31, 2022	
10	New LHD administrators (employed Six (6) months or less, new to the administrator position or has not previously completed as a New Administrator in BP3 will take the <i>Preparedness - New LHD Administrator Training, Modules 1 through 5</i> , on KS-TRAIN for administration of the PHEP grant. KS-TRAIN Training Plan # 4137.	Attendee Name: _____ Training Plan Completion Date: _____ Not applicable: _____
	Due December 31, 2022	
11	LHD administrators will ensure designated* staff complete the following online training: <ul style="list-style-type: none"> FEMA IS-100: An Introduction to the Incident Command System (ICS) FEMA IS-200: Basic ICS FEMA IS-700: An Introduction to the National Incident Management System (NIMS) <p>*Designated staff is a staff member determined by the LHD Administrator.</p>	As administrator of the LHD, all employees in ICS positions have completed the outlined training. _____ LHD Administrator Signature and date

		Due December 31, 2022
12	<p>IMATS LHD will ensure that a minimum of two (2) health department staff or volunteers are registered and active users of the Inventory Management Tracking System (IMATS) and:</p> <p>A. If this hashtag is used, no documentation is needed.</p> <p>Social Media platform(s) used for campaign posts: _____ _____ _____</p> <p>Month of Campaign: _____</p>
<p>MED & LG 20</p>	<p>LHD administrators will ensure designated staff complete one (1) additional training to address gaps/needed improvements based on a BP3 exercise AAR/IP, real-world incident AAR/IP, or jurisdictional risk assessment for the LHD.</p>	<p>IP gap training 1: Date: _____</p>

<p>KDHE will verify training attendance and completion in KS-TRAIN. If the training was not completed in KS-TRAIN, then the certificate of completion <u>must</u> be remitted to KDHE for verification.</p>	<p>Course name: _____ KS-Train ID: _____ Attendee Name(s): _____ _____</p>
<p>Due June 30, 2023</p>	

The following represent administrative preparedness requirements that can be requested at any time during the project period. Please maintain all documents on-site throughout the project period (2019 - 2024):

- ❖ *Document, through job descriptions and employee time and attendance records, that all staff members paid with Preparedness funds are performing activities directly related to preparedness.*
- ❖ *Retain copies or transcripts of all certificates and/or proof of attendance for trainings completed during the entire project period for at least five (5) years.*
- ❖ *Have available signed shared resource agreements, Memorandum of Agreement (MOA), Memorandum of Understanding (MOU) and any maintenance contracts relating to PHEP grant funds.*
- ❖ *LHD Administrators will provide to the KDHE Preparedness Program information pertaining to the performance measures, benchmark requirements and/or any other requested information as related to the current Hospital Preparedness Program (HPP) and/or the Public Health Emergency Preparedness (PHEP) Cooperative Agreement.*
- ❖ *Retain copies of expenditure reports, including but not limited to invoices for each capital equipment purchase, for a period of at least five (5) years. Capital equipment includes purchases of \$5,000.00 and above and/or with a lifespan of greater than a year.*
- ❖ *LHD Administrators within a Cities Readiness Initiative (CRI) footprint will ensure work plans for the local health department are completed as well as the CRI work plan items.*
