

Free
**Systems Navigation
Training For Families**

February 29, 2020

9 a.m. to 5 p.m. | Kansas City, KS

**Participants will receive a \$100
stipend upon completion of the
training. *Must be a Kansas resident***

This **free** training is
provided by The
**Kansas Special Health
Care Needs Program.**

For more information, please
contact Cassandra Sines at
1-316-573-7097 or
Cassandracc@cox.net.

**Pre-registration is required
due to limited space.**

**Do you have a child with a disability or
special health care need?**

**Do you often feel stressed and
frustrated trying to navigate the
systems of care?**

The purpose of this training is to help families learn:

- How to navigate health care and insurance systems
- How to plan early for child's transitions
- Ideas for coping with stress and finding support
- Advocacy skills
