KANSAS INFORMATION NOTICE 01-07

INCIDENT REPORTING REQUIREMENTS FOR
RADIOGRAPHY LICENSEES

Addressees

All Kansas Industrial Radiography Licensees.

Purpose

The Kansas Radiation Control Program received the enclosed notice from the U.S. Nuclear Regulatory Commission (NRC) regarding updated guidance on reporting requirements for radiographers.

Description of Circumstances

The NRC wants to alert and inform radiography licensees of the reporting requirements under 10 CFR 34.30.

The State of Kansas reporting requirements for radiography licensees are listed in K.A.R. 28-35-290 Reports of incidents, lost or stolen sources.

Discussion

See the attached NRC INFORMATION NOTICE 2001-03 dated April 6, 2001.

In addition to the written report required by K.A.R. 28-35-290 within thirty days, K.A.R. 28-35-229a Notification of Incidents, details the requirements for immediate notification and twenty-four hour notification.

This information notice does not require any specific action or written response. If you have any questions about the information in this notice, please do not hesitate to contact this office.
